The addenda prepared by the Public Works Department raises some important points which have to be considered before they can be approved:

They are presumably based on art.1077 (b) of the British Civil Service Regulations 4th edition and the Government order of 1903-:

2.

To understand the points thoroughly we have to go back to the order of '99 which sanctions the fixed allowances in question- .The order of 99 sanctions certain rates of fixed travelling allowances for officers and subordinates i.e.,Engineers,Upper and Lower Subordinates engaged on works which do not entail travelling to a distance that would entitle them to the prescribed rate of daily allowance but who have nevertheless to keep animals and traps of some sort to enable them to do their works. The rates sanctioned by this government order was are given in app W of the Mysore Service Regulations as fixed travelling allowances;-- the allowances of 7-8-0 and 7-0-0 granted to Mestries and Tank Inspectors are not covered by this Government Order and are treated as horse allowance as in the case of the Police Forest or Excise Officers- (art 185) . The Chief Engineer admitted in his letter No.3869 dated the 7th July 1902 that it has been the practice in his Department to distinctly lay down for the guidance of the Examiner that the

the allowances sanctioned under the order of 99 would fall under articles ~~543~~ 570 or ~~569~~ 547 i.e, as permanent allowance or conveyance allowance according to the circumstances of the case, and in letter No.6786 of the 22nd November 1902 that whenever P.W.D.Officers in ~~Gner-~~general (i.e Engineers) draw the fixed allowance under the order of 99 ~~they~~ they do not draw any batta and exchange their fixed allowances under art.543,Mysore Service Regulations, whenever they travel beyond their jurisdiction. -:-

The order of 1903, confirms the ~~power~~ of the Chief Engineer to grant the fixed allowances to ~~Engineers~~ P.W.D. ~~and~~ Subordinates as permanent allowance or conveyance allowance according to the circumstances of each case and directs that in the latter case the fixed allowances need nnot prevent daily or mileage allowances being drawn in exceptional cases of long journey the proportionate fixed travelling allowance being forfeited. :

It will thus be seen that the fixed allowances sanctionable to P.W.officers ~~are~~ to Engineers are permanent Travelling allowances within the meaning of section 573 and that those sanctioned to Upper and Lower Subordinates are permanent allowances or conveyance allowances according as they are decided by the Chief Engineer , and that only in the latter case the rule in accordance with British Civil Service Regulations ~~was~~ is required for the guidance of the

The best solution appears to me to be to treat all allowances sanctionable under ~~art~~ the order of 99 as permanent allowances exchangeable only under art 570, Mysore Service Regulations., to ~~have~~ leave the case of th Mestries and Tank Inspectors as at present, in whose case the allowances sanctioned will be treated as conveyance allowances pure and simple-, and lastly to introduce articles 1077(a) and (b) bodily as 598 A as follows:-

A conveyance allowance not exceeding the Scale given below may be granted to a P.W.D. Subordinate by the Chief Engineer if such a subordinate has a large amount of travelling at or near head-quarters for which ordinarily no travelling allowance is admissible; Note- This allowance is forfeited whenever daily allowance, or road mileage is drawn;:—

From the list of officers in receipt of fixed allowances it will be seen that except in the case of one ~~XXX~~ officer, the Supdt: of Pumping Station, Soldevanahally, who has been granted the allowance as a 'Conveyance allce', the same is treated as permanent monthly travelling allowances, which are not exchanged under at 572 and 573, but under the order of 1903 Whenever the Officers ~~are~~ happen to be entitled to other ~~than~~ travelling allowances according to the ordinary rules —

In the case of Upper and Lower Subordinates the fixed allowances are ~~to~~ treated as 'Conveyance allces' in a large no: of cases, but since they forfeit these allowances whenever daily or ~~not~~ mileage allowances are drawn, the distinction ~~as to~~

drawn by the Chief Engineer between 'permanent allowances' and 'Conveyance allces' does not seem to be very material.

The allowance granted to Medical and Sanitary Inspectors are invariably treated as Conveyance allowances and which are forfeited under the order of 1903 whenever Op. allce or mileage is drawn.

~~A~~ The addendum proposed by me on the basis of what is obtaining in British India was in fact placed before Govt by the Chief Engineer in 1902, but it was not sanctioned as the then Comptroller observed that such an amendment was unnecessary ~~because in his opinion~~, because (he understood) the fixed allowances were permanent monthly handling allowances chargeable only under the conditions laid down in art 573.

The introduction of 107 (a)(b) in Mysore would remove doubts on the following points.

1) The fixed allowances to officers and subordinates in charge of Camps (App. IV 166 P.W.) will be treated strictly as permanent monthly allowances chargeable only under art 572+573 M.S.R.

(1) the fixed monthly allowances granted to Officers & Subordinates may be treated as permanent monthly allowances only under Art. 570, Mysore Service Regulations & be exchangeable under Arts. 572 & 573;

(2) the fixed monthly allowances granted to Upper Subordinates at the rates laid down in appendix 4, Mysore Service Regulations cannot be treated as conveyance allowance under Art. 597 & forfeited whenever road mileage or daily allowance is drawn, as the distinction sought to be maintained between permanent monthly travelling allowance & conveyance allowance will disappear, in as much as the clause "forfeited whenever road mileage &c" will be in conflict with Arts. 597 & 598, M.S.R. To obviate the difficulty, Upper Subordinates may be brought under para (1) above, & Subordinates may be included under Taluk Amaldars & Taluk Inspectors to whom it is proposed to grant conveyance allowance unconditionally. —

Submitted to His Highness.

Under Article 598 (a) of the Mysore Service Regulations a permanent conveyance allowance is not forfeited during absence from head-quarters and may be drawn in addition to any other travelling allowance admissible under the Regulations. In the case of Upper and Lower Subordinates of the Public Works Department, however, the existing orders are that the conveyance allowances drawn by these officers are forfeited when any other travelling allowance is drawn. This is also the practice in British India. (Vide Articles 1076 (a) and 1077 (b) of the Civil Service Regulations.)

To regularise the existing practice, the Examiner, P.W. Accounts, suggested the addition of a clause to Article 598(a) of the Mysore Service Regulations, similar to the corresponding clause in the Civil Service Regulations.

The matter has been carefully considered in the Financial Branch, and the accompanying draft addenda to the Mysore Service Regulations which deal with all fixed travelling allowances drawn in the P.W. Department have been submitted by the Financial Secretary.

Both the Councillors agree ~~of~~ to the proposed additions being made. This may be sanctioned.

Letter No. 3489/E dated 24th November 1906, from the Examiner, P.W.Accounts of Mysore, to the Chief Engineer of Mysore. + Secy to the Govt.

With reference to correspondence ending with Chief Engineer's Memo No. 2148 dated 14th April 1902, declaring that the usual horse allowance of Rs. 15/- drawn by Upperaand Lower Subordinates falls under "Conveyance Allowance" and subsequent orders passed in Government Proceedings No. P & A 2369 dated 11th August 1903, permitting the free exchange of the fixed travelling allowances drawn in this Department for other allowances when these are admissible, I have the honor to state that, though Government have not ordered the insertion of the amendment pro-posed in Chief Engineer's No.2147 dated 14th April 1902, similar to the provision contained in Articles 1076 (a) and 1077 (b) Civil Service Regulations, they have confirmed this view ~~to~~ in the Proceedings above quoted and audit has been regulated accordingly. It is requested that Government be moved again for the insertion of the necessary ruling as indicated in the enclosure in accordance with the requirements of Article 1 Mysore Service Regulations. It may be noted that this insertion will add completeness to the treatment of "Horse Allowance" in the Regulations; this term appears at present under the headings "Short Leave" and "Pension" but is looked for in vain under "Travelling Allowance".
